Ccs P Exam Study Guide

The CPC exam is comprised of 150 multiple-choice questions. The test takes five hours and 40 minutes to complete, making it fairly rigorous. There are two breaks in the middle of the test. The CPC exam costs \$300 to take, but only \$260 if the test-taker is a member of the AAPC (annual dues are \$125 for individuals and \$70 for students).

What is the CPC Exam? - MedicalBillingandCoding.org

The CCS is a timed exam. Candidates have four hours to complete the exam. The total number of questions on the exam range between 115 and 140 total items. The exam consists of two sections, a Multiple-Choice Section and a Medical Scenario Section (inpatient, outpatient, and emergency department). The exam is given in a computer-based format.

Schedules - Lake Land College

If you hold a single certification (either CCA, CCS, or CCS-P), you will still need to earn 20 CEUs per recertification cycle. After January 1, 2021, all CCS, CCS-P and CCA credential holders will no longer need to complete an annual self-review. They should still continue to follow the rest of the recertification process.

FAQS: Recertification | AHIMA

Make sure your practice is well versed on the new codes and guidelines outlined in the 2021 CPT® code set. Advancements spurred by innovation, new technology, and expansion of digital medicine services within the cardiology specialty have increased access to healthcare and, in turn, have resulted in improved health outcomes for patients across the country.

By Paula Mauro and Donna Rugg, RHIT, CDIP, CCS-P, CICA, CCS. At the end of 2018, the New York Times reported the death of Nancy M. Cappello, PhD, an activist for women receiving better diagnostics for breast cancer—the disease she died from on November 15 at age 66. Cappello's breast cancer diagnosis was a shock, as it often is.
