Teaching Tolerance provides free resources to educators—teachers, administrators, counselors and other practitioners—who work with children from kindergarten through high school. Educators use our materials to supplement the curriculum, to inform their practices, and to create civil and inclusive school communities where children are respected, valued and welcome participants.

Teaching Tolerance | Diversity, Equity And Justice

He points out that the English language level of students in Nepali-medium schools is very low and says they are unable to carry out even the most basic communication in English. The challenge teachers face is that use of English interferes with classroom communication, but use of the learners' own language(s) interferes with the development of communicative competence in English.
