Queen

Elizabeth of York, known alternatively as Elizabeth Plantagenet, was born on February 11, 1466, at Westminster Palace in London, England. She was the eldest of the nine children of Edward IV, king of England (ruled 1461–1483) and his wife Elizabeth Woodville (sometimes spelled Wydeville). Her parents' marriage had created trouble, and her father was briefly deposed in 1470.

Biography of Elizabeth of York, Queen of England

Elizabeth of York was the first queen consort of England of the Tudor dynasty from 18 January 1486 until her death, as the wife of Henry VII. She married Henry in 1486 after his victory at the Battle of Bosworth Field, which marked the end of the Wars of the Roses. Together, Elizabeth and Henry had seven children. After the death of her father, King Edward IV, Elizabeth's brothers the "Princes in the Tower" disappeared, their fate uncertain. Although the 1484 act of Parliament *Titulus Regius* dec
