Wikibooks is a useful resource if you're curious about a subject, but you couldn't reference it in academic work. It's also worth noting that although Wikibooks' editors are sharp-eyed, some less scrupulous contributors may plagiarize copyright-protected work by other authors. Some recipes, for example, appear to be paraphrased from well-known chefs.

### Groups The Life Giving Power

Groups: The Life-Giving Power of Community John Ortberg. Community is God's idea. Only in community can we know and be known, love and be loved, celebrate others and be celebrated by them. And only through close, transparent relationships can we be transformed as individuals. Groups invites you to enjoy the rewards--and embrace the risks--of ...

The power of giving comes from a selfless act - where you simply give from your heart. This act of giving is not tied to any special event, holiday or celebration - it is merely a time when you give from the heart because you want to share what you have, show your appreciation and you give because you truly care.
