### Judges And Their Audiences A

Judges care about the regard of audiences because they like that regard in itself, not just as a means to other ends. Judges and Their Audiences uses research in social psychology to make the case that audiences shape judges' choices in substantial ways.

### Judges and Their Audiences | Princeton University Press

In these theories, judges are influenced by other people only in limited ways, in consequence of their legal and policy goals. In contrast, Baum argues that the influence of judges' audiences is pervasive. This influence derives from judges' interest in popularity and respect, a motivation central to most people.

### Judges and Their Audiences: A Perspective on Judicial ...

In their essence, the premises of my inquiry into judges and their audiences are simple: 1. People want to be liked and respected by others who are important to them. 2. The desire to be liked and respected affects people's behavior. 3. In these respects, judges are people. This chapter elaborates on those premises and offers support for them.

### Judges and Their Audiences: A Perspective on Judicial ...

The conventional scholarly wisdom holds that judges on higher courts seek only to make good law, good policy, or both. In these theories, judges are influenced by other people only in limited ways, in consequence of their legal and policy goals. In contrast, Baum argues that the influence of judges' audiences is pervasive.
