Standardize skills learning throughout your entire curriculum. Content for every skill in each collection stems from a combination of Elsevier texts, clinical skills experts, and various nursing organizations such as the AACN, AWHONN, ASPEN, and others.

Clinical Skills - Elsevier Education

Nursing interventions are not just an instantaneous response of a nurse to alleviate a patient's present condition nor aid in the recovery of his ailment. Rather, it uses rational and critical thinking skills to come up and choose what nursing actions are relevant and significant to help attain positive patient outcomes.
