Sports law in the United States overlaps substantially with labor law, contract law, competition or antitrust law, and tort law. Issues like defamation and privacy rights are also integral aspects of sports law. This area of law was established as a separate and important entity only a few decades ago, coinciding with the rise of player-agents and increased media

Politics, and Law: Overview ...

The other side of sports law is much more to do with the commercial nature of sport. Athlete and player contracts are a typical example but sports law is heavily involved in stadium development, financial administration issues, sponsorship deals and broadcasting rights. Of course, there are elements that don't fit neatly into either

Even though the 80's doesn't really stand out in the world of music videos or sitcoms, some of the most legendary athletes graced us during that time. Even though this is up for debate, here are a few of the best pro athletes of the 80s. There are many more, but this gives you a taste of who brought the heat in those days.
