This handsome edition brings all of Beatrix Potter's 23 tales and verses together in one book. Each story is complete and unabridged, and all the original illustrations, both color and black-and-white, are included. Potter's tales were often connected with real people, places and animals, so each story has a brief introductory note about its history.

Amazon.com: The Complete Tales of Beatrix Potter ...

Instead, what I received is much shorter and is not the 'Complete' Beatrix Potter series of stories. It contains only the 4 tales named on the cover. The 'Blick ins Buch' showed many more tales in its Index list and approximately 400 pages, with a map and explanatory notes at the start of each story.
